Legenda:

DT - Digital telecommunication

MS - Modeling and simulation

SVV - Software verification and validation

MSA - Mobile systems and applications

CAD - Computer aided design

DD - Database design

CS - Computer security

CEBP - Concurrent and event-based programming

VVHS - Verification and validation of hardware systems

RC - Reconfigurable computing

CSR - Computer systems reliability

ES - Expert systems

SPM - Software project management

DM - Data mining

DP - Distributed Programming

MSYS - Multimedia systems
